\$595,000

If you are looking to get into the Magnetic Island market at an affordable price and have a home that you can move into straight away and put your own stamp on, this is a great option. The large 1052m² block provides plenty of room if you would like a large shed, pool, or veggie gardens. The rear is fenced and relatively clear with mountain views, while the front contains trees and shrubs providing privacy from the road. The home itself is surrounded on three sides by covered verandahs with sliding glass doors opening onto it from each of the three bedrooms and the living area, bringing light and excellent cross-ventilation through the home. The bedrooms open off the tiled open-plan living area, and to the rear of the kitchen, a utility area provides excellent storage, laundry area and would be a good space for crafts or a workshop. The newly renovated bathroom opens off the utility area and features a lovely stand-alone bath, separate shower and stylish vanity. Centrally located in Nelly Bay, the home is an easy walk to the school, ferry terminal, shops and cafes. Contact Alex to arrange a private inspection by appointment.
