Auction Location: Online Auction Situated on a 766sqm block in Perth's foothills, this four-bedroom, one-bathroom home offers enormous potential. Given the position of the home on the block offering side access and an established front yard, you can easily retain the current property and develop the rear block. Or demolish the existing property and develop the entire site. Alternatively, keep it as is and rent it out to a family or live in it yourself. Either option presents a lucrative opportunity for savvy buyers. Built in 1965, this is a tempting find for renovators and character lovers. Given the generous block size, there's the option of reconfiguring the layout or extending it to suit your needs while catering to modern living. This charming home features jarrah floorboards, a formal lounge, a retro kitchen with a meals area, and an enclosed veranda overlooking the garden with external access, perfect as a games room or office/studio. You have all the perks of living in the hills, such as access to the Perth Hills wine region, John Forrest National Park, Great Eastern Highway, Goat Farm Mountain Bike Park and Bilgoman Aquatic Centre. Clayton View Primary School, Lloyd Penn Park & Koongamia Pump Track and Koongamia Store are within convenient walking distance, and you're only a short drive away from Treetops Montessori School, Helena College Senior School campus, and Midland Gate Shopping Centre and town centre. With the opportunity to add substantial value here, you're only limited by your imagination. Adam Whitford is ready for your enquiry on 0406 616 608 today.
