Conveniently located only a short distance to schools & the Atherton CBD is this solidly built and well-established home. Sitting on a spacious and fully fenced 825sqm allotment this property has been maintained well and would work perfectly as your live-in option or a great addition to your investment portfolio. A warm and inviting open plan living and dining area features a wood fire heater and a sizeable, separate kitchen with electric appliances and external staircase. The gorgeous, polished timber floors throughout the upper level are complimented by lots of natural light; blinds and security screens are throughout. There are 3 good sized bedrooms with built ins, fans, blinds and reverse cycle air conditioning units and the bathroom features a shower over bath with separate toilet. There are two entertainment areas; a timber deck with picturesque views of the mountains and Tablelands scenery and the paved outdoor area downstairs which is the perfect spot for a BBQ. Underneath the home is complete with a concrete floor and a lockable storage room and laundry. There is enough space for 2 vehicles, with two concrete driveways. The entire block is fenced for convenience with fruit trees are established and there is double gate access offering great potential for a shed.
