You won't see anything from the street! Be pleasantly surprised by the size and eclectic nature of this beautiful property on Buderim. Designed and decorated from the owners' diverse experiences in life, the home oozes style yet at the same time a warmth which is endearing. The main dwelling has a spectacular entrance leading you through to a sunken lounge with a fireplace to the left, and a cleverly designed foodie's kitchen and dining area to the right. This flows out to a charming timber deck, surrounded by a generous lawn and manicured gardens. Back inside, and a small climb to the second level takes you to the generous master suite with its own bathroom, robe and reading nook. There is also two guest bedrooms and a bathroom. Moving back down the few stairs to the entertainment zone complete with wet bar, pool table and powder room, close to the laundry which opens to the tidy service side of the house. An entertainment deck at the back looks over a generous lawn area and over to the two-bedroom dual living villa with bathroom and full kitchen/dining/lounge, timber decking provides space for covered outdoor living. A double lock up garage with storage, side access, and a separate work room are all handy spaces. Walk to Buderim shops, restaurants, medical, parks and Buderim Mountain State School.
