Substantial two-story home on 973m² of level easy care grounds, fully fenced and in a quiet area of Longford. All rooms are of generous proportions with a huge family lounge on the ground floor featuring an open fire, a sitting room, again with an open fire, a formal dining room and a spacious "country" kitchen opening onto a private courtyard. To complete the ground floor, there is a large master bedroom with ensuite, a formal entry, separate toilet and the laundry. On the upper level there are two very large bedrooms, two smaller and an office/5th bedroom plus bathroom and separate toilet. The exterior of the home is easy care, there is a double carport and plenty of open parking space. The home has a good sized sunny front garden with access to the courtyard as well as an area suitable for a garden shed and vegetable garden. Newly carpeted and fenced, this substantial home is just waiting for its next owner to move in and "put their mark" on the property to take it to the next level!
