Dreaming of owning a character filled cottage in a quiet seaside village, where you can walk to the beach and be lulled to sleep by the sounds of the ocean? This quaint cottage oozes charm and warmth, from the moment you walk along the entrance path and absorb the fragrance from the established gardens. As you step inside the inviting home, you will experience a feeling of tranquillity and peace with the rich timber textures that surround. Located on a generous 784m² block, the home offers 4 bedrooms and is spread over two levels. The upper level offers two large loft style bedrooms, both with air conditioning and serviced by a separate powder room. Downstairs you will find the other two bedrooms, both opening out to the veranda and take in garden views. An open plan kitchen contains a dishwasher, gas cooktop and large timber island bench, purposely designed as an informal meals area. Enjoy winter evenings in the cosy living area with combustion wood heater, adjacent to this is the dining space which opens to the spacious back deck. A good-sized bathroom and laundry complete the lower level. Easy-care polished timber floors feature throughout the home and add to the warm ambience this home exudes. A large L-shaped veranda is the perfect spot to enjoy a glass of wine with friends or just relax reading a good book while watching the kids play in the expansive fenced backyard, complete with cubby house. Further to this is a separate double lock up garage and outdoor shower area, perfect spot to wash off the salt and sand after a day of surfing and beaching. All of this is within a short walking distance to a choice of beaches, stunning headlands, Mullaway Primary School, and general store and an easy 5-minute drive to restaurants, cafes, boutiques, and facilities that the thriving seaside town of Woolgoolga has to offer. This is your opportunity to turn that coastal dream into a reality, contact me today for an inspection! 4Bed/1Bath/2Car \$1,150,000
