One of the best locations on the Coast. Keppel Sands has a fantastic community and home to proud locals. Keppel Sands has seen many up grades recently with roads and the revamped Hotel. The block is very easy walking distance to everything. From walks on the beach, to throwing in a line or crab pot at Pumpkin Creek, plus a cold drink from the Pub. Its ready to build on now. Nice and flat, making it easy to create a lovely home for the future or a holiday home for a quick escape to the beach. As you maybe aware of the population growth going on now and coming in the next few years. This will be hot property, get in now before its too late! Try finding a block so close to the beach for this price. Contact Damien for a site plan today.
