Picturesque family perfection and unbeatable lifestyle appeal introduces this expansive, single level residence, prioritising abundant natural light throughout colossal proportions. Catering to zoned family enjoyment, a considered floorplan design offers true versatility and functionality, comprising three main living/entertaining zones. The first, a spacious lounge featuring plush carpets, cathedral-style ceilings and a trendy exposed brick wall with open fireplace, an oversized island kitchen/dining area with stainless steel appliances, ample storage and elevated ceiling skylights, and a third north facing living retreat opening to expansive, landscaped garden surrounds. Alfresco entertaining comprises multiple zones including an undercover domain for year-round enjoyment, plus a sizeable garage/workshop at the rear of the property. Accommodation features four light filled bedrooms with built in robes, main with ensuite access to a shared bathroom. Includes a second central bathroom, laundry, split system heating/cooling, central heating, secure double garage at the front of the property with three additional off street car parks. The home is ready to occupy immediately, with scope to update/add value if desired (STCA). Enviably positioned moments from Ashwood High School, Ashwood College, Ashburton Primary School, both Ashburton and Burwood Village shops and cafes, Toorak Road/Burwood Highway trams, Woolworths Ashwood, Ashburton station, close to Chadstone Shopping Centre and the M1 Freeway.
