The vendors have said it has got to go - so this tidy cottage is up for sale. With tenants recently vacating and freshly cleaned, the home is looking for a new family to move in and call it their own. With three large family bedrooms and massive kitchen, this block is set on a large 835 m<sup>2</sup> block and is fenced on all sides - perfect for the kids and pets. Call Jon Kingston for an inspection today. This property has got to go !!
