Positioned in arguably one of Tanunda's finest locations, just a short walk to everything, 7 Edward Street, Tanunda will suit a wide range of buyers. Built in 1998, the home comprises 3 good sized bedrooms, two living areas (including a spacious area to the front of the home), an open plan kitchen and meals space and a three way bathroom. Heating and cooling is taken care of by a split system air-conditioner while an undercover carport ensures the car is kept securely. Outside, a large undercover outdoor entertainment area ensures family and friends can be accommodated while the generous, low maintenance backyard provides plenty of space for kids or pets (or both!) Showcasing an unbeatable location quite literally a stone's throw from the Tanunda main street, this home would be perfect for either first home buyers, young families, retirees or those looking to downsize. Don't miss out on this fantastic Tanunda opportunity!
