Situated on a large block close to the shopping & commercial district of Kimba. The house is of solid freestone construction, comprising 3 bedrooms, lounge, separate dining room, laundry, bathroom and centrally located kitchen. The interior has been gutted in preparation for re furnishing and tiling has been completed in the laundry and toilet. The majority of the ceilings have been replaced and electrical wiring replacement commenced. If you are looking for a project with all the back breaking removal of the old completed, this is your opportunity.
