The proportions are greater in Gadsby! This beautiful, almost-brand-new home is big on space and brimming with extras to boost it up the list of many buyers. It also offers a chance to start life a fresh in a developing street, where the scene is already set for a big family life. The extra-wide frontage of the generous block allows for a façade to follow suit. The home features a double garage, a stately portico and a wide entrance. Beside is a clear area for extra parking for caravan or trailer, or for developing the garden of your choice – just a fence and gate will complete. Step inside the home to find welcoming timber laminate flooring in the entrance hall and a higher-than-average 2.55m ceiling height, which further adds to the sense of light and space. There is a quiet formal lounge room to the left, and a master suite to the right. Both have chic white plantation shutters to inspire a classic interior design. The main bedroom has a walk-in-robe and an ensuite with dual vanity and separate toilet. Everyone's favourite open-plan living space is a beauty. At its heart is a designer kitchen with stone benchtops and white subway tiles. There is a 900mm stainless steel stove, a feature rangehood, dishwasher and huge walk-in-pantry – with optimal garage access. Imagine setting up your own mini supermarket shelves right here! Off the living area is a wing of three further bedrooms, all with mirrored built-in-robos, plus a beautifully tiled family bathroom. A stand-out of the property is the extensive outdoor entertainment area (larger than average), accessed via dual glass doors that slide away at the corner. Enjoy a true indoor/outdoor lifestyle throughout the warmer months. A lush green lawn has been established all around the home. Simply add your favourite plantings to complete. Walk straight in to this gorgeous property and begin making it your own. It's in a family-friendly area close to the vibrant Huntly shopping precinct, schools, childcare and public transport including the new Huntly Train Station.
