Some family homes have a great feel to them. This cheerful home in Bennett Springs is a great example. Minutes from everything... Close to bus routes, a 5 minute drive from Altone Shopping Center & an even closer drive to Bennett Springs Shopping Center. Of course, we should also mention that it is the ideal match for your lifestyle. And the good news just keeps on coming... It boasts 4 bedrooms, 2 bathrooms, double lockup garage, master room is large in size with walk in robe and ensuite. Open plan kitchen with large bench space, beautiful finishes including stainless steel appliances, plenty of cupboards, electric oven and gas cooktop. Along with that we have its gas hot water system, ducted air-conditioning and extra study area. Also we're pretty sure you'll applaud its good sized bedrooms, all with robes, decently sized living areas, pets considered policy and alarm system for extra security. Beautiful undercover patio area for entertaining your friends & family plus reticulated lawns & gardens so you won't need to spend all your evenings hand watering to keep them looking green & luscious. Pets considered. Come and see for yourself.
