This charming, renovated home offers a blend of modern comfort and practicality and is a fantastic opportunity for buyers who want a move-in-ready property without breaking the bank. The renovations have covered all the essentials, including a well-designed kitchen, a fresh bathroom, and an updated laundry. The sensible layout includes an entrance hall leading to a spacious lounge that connects to the casual eat-in kitchen. There are three robed bedrooms serviced by a family bathroom, a laundry, and a separate toilet for your convenience. Additional features include ducted central heating, gas wall heater and ceiling fans throughout. Outside, the benefits continue with easy access to the 6 x 6m, high-clearance carport, which also serves as an outdoor space. An 8 x 6m shed is equipped with power, lighting, and a solid fuel heater making it suitable for various uses. The open deck has a fold-out awning, making it a great place to entertain or relax and the low-maintenance gardens are designed for hassle-free upkeep while still leaving space for children and pets to play.
