Sale by SET DATE® Closing Tuesday 28 May at 5:00pm. Hallmarked by its zoned living, generosity of space and tranquil leafy surrounds in a sought-after Eltham pocket, experience a relaxed mode of family living in this light and bright family home. Living with the luxury of two separate living areas enhances everyday family functionality, while four zoned bedrooms (renovated ensuite to main) and a stylishly renovated main bathroom offer family flexibility and comfort. That essence of space and functionality extends to the family-sized kitchen in the heart of the home, while the interior's direct access to a large area that overlooks the in-ground swimming pool (with spa) delivers a highly desirable indoor-outdoor entertaining aspect. A freestanding bungalow with a separate study area lends itself well to a home office set-up, teenager's retreat or guest accommodation; large laundry, double carport, easy-care gardens and plenty of storage space are further highlights moments from Eltham Village, Eltham train station, parkland and schools.
