There's nothing quite like the feeling of walking into a brand new home, and for this quality four bedroom, two bedroom home, that extends to delivering a full Turnkey experience. Wide Oak-effect flooring pairs beautifully with clean white walls for soothing modern sophistication with a lovely frontage lounge complemented by open plan kitchen, meals, and living areas beyond. Boasting excellent design, the spacious kitchen presents a dedicated waterfall edge stone island/bar, soft close cabinetry, a walk-in pantry, Westinghouse oven, induction cooktop, and a dishwasher. There is also an alfresco entertaining area leading to the fully fenced low maintenance rear yard. The home includes four large bedrooms, with the main suite privately situated and afforded a walk-in robe and fully tiled ensuite, while the main bathroom features a bath, recessed shower, and separate toilet. Additional amenities include a remote controlled double garage with internal access and built-in storage, an internal laundry, ducted heating/cooling, 2000L water tank, and built-in robes. Footsteps to Northvale Park, it's highly convenient to Sunbury township, shops, cafés, restaurants, schools, train station, recreation facilities, and freeway access - making it the perfect package to experience what "Life on the Hill" is really like.
