\$1,500 per week

A showcase of designer style and contemporary sophistication, this is a rare opportunity for buyers to secure a family entertainer in a sought-after riverside location. Architecturally designed and featuring an array of contemporary quality, this fabulous residence presents an enviable blend of indoor and outdoor living. Built in the early 2000s, this four bedroom home boasts excellent attention to detail with no element overlooked. Clean lines and fresh white tones emphasise the versatile layout and abundant accommodation and just in time for summer, a large rear patio flows to a pool and leafy gardens. Light filled and breezy, the dining and living zone seamlessly combine with polished concrete floors, along with air conditioning throughout. Certain to thrill resident chefs is the modern kitchen with its stylish attributes including stainless steel appliances, a gas cooktop, dishwasher, island bench and clear glass splashbacks. Beyond bi-fold timber and glass doors, explore the vast outdoor entertaining area which overlooks the glass-framed pool with its welcome shade sail and borders of verdant, fenced gardens. The covered patio has a framework of timber slats, which add privacy and tranquillity to the pleasant alfresco expanse. Also on the ground floor is a powder room and laundry. Four generously sized bedrooms on the upper level come with built-in robes, ceiling fans and polished timber floors, with the master retreat fitted with air conditioning and a deluxe ensuite plus a built-in makeup nook in the robe area. A family bathroom with a bath, shower and powder room services the remaining bedrooms. As well, a nearby rumpus room offers a second living room for kids and teens. Spacious and attractive, the large expanse reveals panoramic scenery to the gardens below. A double lock-up garage with internal access completes this unique property. Located within the prestigious River Avenues precinct, buyers will enjoy easy access to Oxford Streets boutique and café precinct plus Hawthornes riverfront parklands, CityCat ferry terminal and cinema. An array of public transport facilities connects residents to the CBD with a wealth of quality schools also close by. Don't delay enquire today!
