Introducing a masterpiece of contemporary living nestled in the highly sought-after location of Bena. Presenting this Kyle Custom Built four-bedroom home sitting on an expansive just under an acre block that seamlessly connects to nature. Upon entering, you are greeted by the grandeur of the kitchen, adorned with stone benches, a Belling oven, butler's pantry, glass splashback, dishwasher, and ample storage, seamlessly flowing onto the dining and lounge areas. Pendant lights illuminate the staircase and the kitchen bench, enhancing the ambiance. The large, double-glazed windows, seamlessly integrated into the architecture, serve as portals connecting the interior space with the enchanting world of nature beyond. This stylish abode boasts abundant storage throughout, including under-stairs storage and a storeroom, while the raked ceilings bathe the interiors in the warmth of north light. Each room is adorned with built-in robes, with the master suite featuring a walk-in robe and spacious ensuite. Ceiling fans ensure comfort throughout the home, complementing the zoned ducted heating and cooling for optimal temperature control year-round. With two living zones, including a remarkable living space/rumpus with polished concrete floors downstairs, complemented by a separate study, this home offers endless possibilities for relaxation and entertainment. Step through the sliding doors onto the grand deck, where the mesmerising views create a serene bush retreat ambiance, ideal for alfresco gatherings or quiet contemplation. Additional features include a stone entrance feature wall, double vanity in both the bathroom and ensuite, two powder rooms for added convenience, and a large garage with under-deck storage. The spacious laundry boasts a drying cupboard, adding to the practicality of this exceptional residence. Radiating with the comfort of double-glazed windows, this one-of-a-kind property offers boundless opportunities for luxurious living amidst the backdrop of the rolling hills and natural surroundings. With its generous land size, the possibilities are endless, making this home a true haven for those seeking a harmonious blend of elegance and nature. Plus, enjoy the added benefits of sustainability with two 25,000-litre water tanks and a 6.6kw solar system unit, ensuring eco-friendly living while being surrounded by the splendour of nature. Don't miss your chance to make this amazing property your own.
