Expressions of Interest A pristine lifestyle prospect seconds from vibrant Bridge Road, this lovingly revitalised Victorian sees first class appointments and outstanding use of space create superb, single level splendour. Retaining the charm of its period facade, a tasteful reinterpretation promotes luxury through simplicity, with three considerable bedrooms accompanied by full height robes, an on trend master ensuite, and central bathroom with soaker tub. Augmented by smart skylights, soaring ceilings create a sense of space, with a lengthy entrance hall culminating in a remarkable living/dining section at rear. Met with effortless flow, a mains gas outlet enhances a decked entertainer's yard, making for brilliant barbecues under sublime sun. A first class kitchen sees white stone benches and pale timber cabinetry tastefully contrast black tapware and Asko appliances, while further highlights include a combined laundry/butler's pantry, heating/cooling, and plentiful storage. An easy tram or bicycle ride to Chapel Street, the MCG, and city centre, it's steps from revered Richmond High and Melbourne Girls' College, blissful Yarra trails, thriving cafés and restaurants, and lively Swan Street nightspots.
