Pleasantly situated on a quiet street in Solomontown this neatly presented home offers a great opportunity for the retiree, professional couple or investor to enter the market. Set on a manageable 481m² allotment the home is of very low maintenance both inside & out and offers a front lounge upon entrance, 2 bedrooms (both with ceiling fans & BIR to bedroom 1) serviced by a central bathroom with an adjoining separate toilet & laundry. An open plan kitchen/dining space is comforted by a reverse cycle split system which flows through the majority of the home. The dining area allows sliding door access to a fully enclosed rear pergola perfect for all year round entertaining. A double length carport with electric roller door is also well enclosed offering additional undercover vehicle storage. Externally the property offers low maintenance established gardens, 2 garden sheds & rainwater storage. A great package that won't last long - get in quick! RLA110
