New To Market

This 1,085sqm Iconic piece of Kincumber is the Original Lavender Farm that stretched all the way to Avoca Beach hence the name "Beach Farm". Built in 1911 this heritage listed property has the original century old homestead and its features like the existing fireplace, also a self-contained studio plus additional workshop and separate kitchenette . This property gives you the feel of country style homestead with so many unique features from antique doors to stained windows. It feels like acreage on a large parcel of land but without the maintenance of acreage. This property has a wonderful blend of heritage and modern convenience. - Open plan kitchen with Smeg appliances- Country style garden with stone walls- Modern studio with loft- Direct access to parkland through backyard on two sides- 13KW solar and Tesla Battery ready for off-grid usage- Solar hot water- 7000L Rainwater Tank
