Offering the ideal combination of style, functionality, and flexibility, this contemporary home is the perfect canvas for the growing family's ever-evolving needs in an equally family-focused community. A thoughtful design boasts adaptable spaces with a seamless alfresco connection, just moments from a range of everyday necessities. A striking brick and render facade and timber-look flooring highlight its focus on low-maintenance living and a premier finish, spreading beyond a formal lounge/parents' retreat into an open-plan family and dining space, flourishing with light and overseen by a stone kitchen with waterfall benchtops and quality cooking appliances. Sliding doors flawlessly connect the interior to the covered patio, stretching out into an easy-care yard that offers an extension of living space, ideal for alfresco dining or relaxation. Four large and robed bedrooms are wonderfully zoned, including the main bedroom with its spacious walk-in robe and ensuite. Three additional bedrooms sit around a bathroom and powder room, offering practicality without compromising style. Perfecting comfort and practicality with a fitted laundry, ducted heating, evaporative cooling, a garden shed, and a double garage, it sits just moments from Wollert Primary School and Secondary College, Aurora Village, public transport, and easy freeway access..
