Situated in a peaceful neighbourhood and boasting stunning water views and close convenience to local shops, transport and schools. Boasting three bedrooms and two living areas, kitchen and bathroom. The sun-filled living spaces capture the best of the river views, with the kitchen separating the dining room and lounge. The bedrooms are newly carpeted, all containing built-ins. The newly renovated bathroom, has a large walk-in shower. The home is kept warm with a reverse-cycle heat pump as well as an open fireplace to create atmosphere. Tassie Oak floors, and original mid-century features in the living spaces add to the appeal of this home. The front and backyard are immaculate, with established vegetable gardens and fruit trees, a chicken shed and run, a greenhouse, and multiple areas to sit down, relax, and take in the incredible water view. With off street parking, a gardener included and those amazing water views you will certainly be impressed with this home when viewing.
