This wonderful home is sure to impress. Boasting a palette of neutral tones, this double-story home features quality carpets, a dishwasher, walk-in pantry, ducted heating, a master bedroom with en-suite and walk-in robe. The features continue with an expansive open-plan kitchen and dining area with a separate upstairs rumpus room, and a double garage. Outside, enjoy the established front garden providing street appeal. Additionally, the property includes an alarm system and an easily maintainable wrap-around rear garden. Conveniently close to parks, walking trails, and major roads, this location offers excellent access to a range of amenities including schools. There is so much to love, an inspection is a must. Come and visit us during one of our scheduled appointments, we are excited to meet you.
