Relishing in its popular Warners Bay address and complimented by an in-ground swimming pool, this updated classic provides everything on a family or retiree's wish list. Pristinely maintained over its lifespan and boasting a flawlessly renovated kitchen and bathrooms, the homes' floorplan highlights include four bedrooms, a study, two top-floor living zones and a ground level teen retreat. Split-system air-conditioners, a toasty combustion fire, and attached double carport increases this properties appeal, as does its prime location within 1km of the regions famous lake-hugging cycle-way allowing you to ride or walk into Warners Bay's cosmopolitan CBD, its bespoke shops, and lively cafes. -?Open plan living with modern engineered timber floor, AC and combustion fire -?Striking kitchen featuring waterfall-edged stone benchtops, quality appliances and pendant lights -?Second living room on the main floor plus a large rumpus/teen retreat downstairs -?Four bedrooms and a generous study also located on the main level -?Bathrooms on each floor, both fully renovated, one with bath, the other combined with the laundry -?Easy access to a double carport; separate workshop and storage area-?Secure yard with a summer-ready pool waiting to occupy kids and adults alike -?In the catchment zone of Warners Bay Public and High Schools
