The extensive renovations to 7 Maguire Avenue have created a home that is both very easy on the eye and extremely functional at the same time. Paired with its sought-after location in a quiet, established South Orange neighbourhood, it makes for an enticing package for families. All corners and aspects of the house have benefitted from the recent updates, most notably the massive kitchen, which is now stocked with state-of-the-art appliances, a huge pantry, and stone benchtops. All four bedrooms are on the large side and all are equipped with built-in wardrobes, while the master is also coupled with an ensuite. The 944-square-metre corner block is overlooked by a simply stunning timber entertaining deck, with a separate fire pit area a wonderful option in the coming cooler months. Zoned for Calare Public School and Orange High School, and convenient to shops and other amenities, this house represents the finest in family living.
