Escape the ordinary to the relaxed and appealing surroundings of Kurrimine Beach. I am introducing this darling three-bedroom and two-bathroom original Queenslander home just a few meters from the beach. Offering a peek to the ocean, this inviting residence offers convenience and a coastal lifestyle. This unique home was built in 1952 and has been updated with lots of love, keeping as much of the original charm as possible. It is a very affordable and perfect Opportunity to live in - rent out, or run your own business from home. As you step inside, you'll be greeted by a cozy living space and launch area. Original stained glass/timber doors have replaced the old doors. Freshly painted and lovely little features add to the house's warm feeling. The detached garage was converted into a separate studio with a funky new bathroom, currently used as an art studio. It has alley access and spacious areas for hobbies and crafts and can also be used as an extra bedroom with a shower and toilet. Here are a few sneak peeks of what the property has to offer. All rooms have a new Aircon. New 6.6kw Solar System. Two newly renovated Bathrooms. Spacious kitchen. Bedrooms with build-ins. Ceiling fans. Windows and doors are partly new or renovated. Garden with fruit trees and plenty of space for planting vegies.
