As immaculate as it was the day it was built, enjoying a floorplan that is versatile and spacious, and ready for owner-occupiers now while also promising excellent potential, this pristine 3 bedroom, 2 bathroom classic is sure to capture your imagination. You can move straight into this beauty or even rent it out for handy returns. The 735sqm (approx.) land size means that redevelopment is a definite option, as is contemporary renovation or even extending at the home's generous rear (redevelopment/extension STCA). Appreciate the separate and spacious lounge and dining zones with quality carpet, plenty of space for meals in the large and well-presented kitchen, flexible sunroom, huge main front bedroom with BIR, 2 other large bedrooms, 2 bathrooms, laundry, reverse cycle heating/cooling, extended back garden with bungalow, and single garage. In close proximity to the popular Oakleigh Central, Huntingdale neighborhood shops and thriving Eaton Mall with great restaurants, Huntingdale Primary School, Monash University Huntingdale Station (zone 1), Monash Medical Centre and local bus routes. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
