Nestled just moments from the pristine shores of Scarness Beach, this charming residence offers the perfect blend of coastal living and modern convenience. Boasting two large bedrooms, a beautifully renovated kitchen, and a host of appealing features, this home presents an exceptional opportunity to enjoy a relaxed lifestyle in a highly sought-after location.

Key Features:

Prime Location: Situated on the coveted McNally Street, this property enjoys a prime position just a few streets away from the glistening waters of Scarness Beach. Residents can indulge in coastal walks, swimming, or simply soak up the sun while being mere minutes from essential amenities including shops, schools, and cafes.

Renovated Interior: Step inside to discover a beautifully renovated interior that combines style with functionality. The kitchen has been tastefully updated under two years ago, boasting modern appliances, ample storage, and sleek countertops, making it a delight for any cooking enthusiast. The adjacent laundry and bathroom have also undergone renovations, ensuring both convenience and aesthetics.

Spacious Bedrooms: The home features two large bedrooms, providing comfortable accommodation for residents or guests. Each bedroom offers ample space, natural light, creating serene retreats for relaxation and rest.

Outdoor Oasis: Retreat to the tranquility of the backyard oasis, complete with a deck area surrounded by established trees. Whether you're enjoying a morning coffee or hosting gatherings with loved ones, this outdoor space provides a private sanctuary to unwind and connect with nature. The property also backs onto council reserve, enhancing the sense of privacy and serenity.

Converted Garage: Perfect for those seeking a versatile space, the converted garage offers endless possibilities. Whether utilized as a home office, studio, or additional living area, this space provides flexibility to suit your lifestyle needs.

Additional Features: Other notable features include a garden shed for storage, a front verandah to enjoy the sea breeze, and zoning for medium density, presenting potential for future development opportunities (subject to council approval).
