LOVINGLY CREATED UNIQUE HOME ON ALMOST AN ACRE

Located in the beautiful Miallo area just north of Mossman, is this lovingly created 3 bedroom home on almost an acre of secluded and private land. So peaceful and quiet yet just a short drive north from Mossman township (10 mins).

The use of rare hardwoods and craftsmanship throughout is stunning. Polished timber flooring with Silky Oak front and side doors. The kitchen has Damson plum kitchen benchtops, Acacia cedar doors and African Mahogany built-in dining table. The refurbished bathroom has en pointe polished concrete floors blending traditional with the modern.

This would make the perfect starter home, family home or holiday home.

All internal walls have been newly painted. There are fans in all rooms and air-conditioning in main bedroom and lounge area. There is solar hot water with the ability to connect back to the electric hot water. Large sliding timber doors open onto an expansive deck which runs the full length of the rear of the house overlooking the cane fields and the tips of the mountain range in the west. You might even be serenaded by the bubbling water of your own seasonal creek. A perfect way to enjoy a sundowner drink and toast the end of another beautiful day in Paradise.

Your new lifestyle begins. The restaurant, bars and boutiques of Port Douglas are only a 25 min drive south. There is plenty of room for sheds and storage for boy's toys, and the new Newell Beach \$3.5m boat ramp with deep water access along with Mossman Golf Club and beach is only a 5 min drive away. Mossman Bowling Club and amenities are just 10 minutes away. You are within the highly regarded Miallo Primary School zoning, which is located just down the road (1.3km) you could walk or ride the bike!
