What a pleasure to offer this quality home to the market!! Nestled into its own private oasis is this immaculate three bedroom home with an office and a study, which offers a sensational floor plan giving the owner so many options on how to live. The north facing lounge room allows natural light to pour in whilst enjoying the stunning views of your well established, low maintenance garden. The kitchen is well equipped with solid Jarrah benchtops, dishwasher, induction cook top, electric oven and a huge walk in pantry. The huge dining area has beautiful double French doors that lead you outside, flows onto the spacious living area. The main bedroom is light and bright and has a spacious walk in robe and extensive ensuite. The shedding is another huge feature of the property with a wood turning workshop that has a slow combustion heater for working on cold nights, three phase power, a wide veranda, and a huge carport that can fit four cars. Other incredible features include over 20,000 gallons of rainwater, solar panels, enclosed lockable yard for pets and children, single garage under the main roof.... the list could go on. This home truly combines style, comfort and functionality, making it the perfect place for your family to create lasting memories. The owners have been meticulous with their care of this home and is ready for you to ring your removalist and move straight in. Inspect today!
