Type: Residential Land

\$335,000

With the expense of building on a sloped block and flat land starting to be in short supply, this is a fantastic opportunity for a home owner to invest in a block that will mean a more affordable build and more useable block. In the very popular Whitsunday Acres this 1,773 sqm block is titled and ready to build on. The current owners have had a change of circumstance and now find the block of land surplus to their needs. With just over 28m of frontage, there is more than enough room for a house, pool and shed. Just one of the reasons this estate is so popular with families is the location:- Under a kilometre to Centro Shopping Centre,- Under 10 minutes to Cannonvale Boat Ramp,- Easy access to Airlie Beach or Proserpine,- 11 minutes to Airlie Beach Lagoon. For more information or to arrange a walk over the block please don't hesitate to call Kyle Davey on 0439 561 547.
