Resting on a coveted block set within the Strathmore Secondary College zone, this once loved two bedroom period home offers enticing transformation potential to those looking to start their next big project (STCA). Freestanding, it boasts a flowing interior complemented by hardwood finishes such as doors, architraves and picture rails. The formal front lounge features a mantled heater and leads to separate dining domain, as the kitchen/meals includes gas cooking appliances and good use of cabinetry. Meanwhile, the sizeable pet-friendly backyard features a sweet fruit tree amongst established garden beds, plus an outhouse toilet and laundry. Further extras comprise central bathroom, master bedroom with built-in-robos, garage and lengthy driveway off-street-parking. Enviably positioned less than 10km approx. to our iconic CBD, within seconds to major city/airport-bound freeways. Moments to popular schools, Melville Road trams and the Moonee Ponds Creek Trail. With easy access to local cafes and convenient Coburg North Village.
