You must view this very spacious and pristine four bedroom ground level family home to appreciate the calm ambiance flowing through every room into the surrounding tropical gardens. There is ample space for everyone, as the house has separate lounge and dining areas and a family room. The modern kitchen has beautiful stainless steel appliances and stone bench tops and comes with a dishwasher. The house is fully tiled and air-conditioned for comfort. Three of the bedrooms have built in robes and the main bedroom has an ensuite and a walk through robe. There is also a large internal laundry with heaps of cupboard space. The bathrooms also have stone bench tops, and the main bathroom has a large roman bath as well as a shower. All the living rooms are open plan and lead out on to the private back patio beside the large shaded in ground salt water pool, ideal for relaxing in after a hard day at work. The beautiful tropical gardens are fully established and reticulated for low maintenance. There is a large shed on the block, and under cover parking for 2 vehicles. Pets are negotiable.
