The master bedroom offers a cosy retreat and features a walk-in robe and full ensuite. All additional bedrooms include built-in robes and are serviced by the main bathroom with a separate toilet.Located in the main hub of the home to the rear, the large kitchen is well-serviced with an island bench, Caesarstone countertops, Falcon 900mm oven and range hood, dishwasher, and double pantry space. Overlooking are the open-plan living and dining zones that are comforted with second wood heater and encapsulates natural light through an array of windows. Seamlessly connecting outdoors through French doors is a wrap-around deck that takes in views of Heath Hill and beyond! The backyard has been well loved and cared for with an array of fruit and olive trees. Added features include a remote-controlled garage with internal access, laundry, ducted heating, exposed aggregate driveway and pathways, and much more.
