Tucked away in a corner of a quiet street yet only moments from Morisset's CBD, this beautifully presented four bedroom home is perfect for the modern family. Spacious with a very functional floor plan, the home comprises separate formal lounge and dining rooms (which could also be media and games rooms), an expansive open family room with a well appointed kitchen complete with walk in pantry and a casual meals area off to one side. An ensuite and walk in robe feature in the main bedroom, which is a bit of a parent's retreat away from the rest of the home, plus there is a double garage with internal access. Polished tiles feature extensively throughout plus air conditioning and a gas heater to keep things comfortable. Outdoor entertaining is easy with a pergola trimmed with pretty gardens, a sparkling in-ground pool with water feature is great for a splash and a fully fenced yard is ideal for the kids. With heaps of additional parking for that caravan or boat and a oh-so-convenient location, you can't go wrong!
