BUILD YOUR DREAM HOME ON BEACHSIDE LAND

Stop searching - this is your beachside land ready to build! Over 1000 sqm of flat level land with no rear neighbours just moments away from the beautiful sands of Wonga Beach.

There is fencing on two sides already and some established palm trees down the southern side. The back of the block has a retaining wall in place as well as posts ready for a rear fence.

Wonga Beach is fantastic for fishing and the local boat ramp is just 5 minutes down the road and straight out to open water. Wonga Beach primary school is within easy walking distance or by bike. It's a short drive to the Ferry to explore the World Heritage Daintree Rainforest. Mossman township is just 15 minutes drive for all your needs including local Mossman State High School, Woolworths, Hardware and Mossman Gorge. Port Douglas is just 30 minutes drive south and a further 1 hours to Cairns International airport.

Properties this close to the water are sought after so buy now and bank for the future.

Call Nicole now on 0416 033 948 for further details or email nicole@propertyshopportdouglas.com.
