Elevated with endless westerly views down the Huon Creek Valley and across Cambourne Park to Federation Hill, this substantial home boasts craftsmanship quality and immaculate presentation. Set on 1283m² of manicured gardens and lawns, this home comprises over 27 squares of living and offers all of the features that are a must-have for perfect family living. 3 spacious living areas comprising huge home theatre, formal living and family room are complemented by a beautifully appointed chef's kitchen featuring stone bench tops and adjacent meals area. 4 very generous bedrooms, master complete with ensuite and walk in robe complete the internal space while the double lock up garage provides rear access to extensive under cover entertaining and/or vehicle storage. A fully powered 6m x 4m workshop at the rear is perfect for the handyman and completes this special offering to the market.
