TOTALLY TRANSFORMED! There is literally NOTHING to be done on this exquisite home. This family home has had a total transformation- New kitchen- New bathrooms- New hybrid flooring throughout and new carpeting- New gas fireplace in lounge- New LED lighting - New paved driveway- Fully repainted inside and outside- Solar panels installed- New undercover alfresco area - Fully landscaped and reticulated gardens. North facing double storey home with abundant parking for extra cars or caravans - perched on a good 578sqm survey strata block, offering you very private living. Situated only a stone's throw to Ernest Johnson Oval. High glazed formal entry with nearby work-from-home-office, library or formal sitting. Vibrant central kitchen surrounded by spacious living & dining zones. Generous master bedroom suite with large WIR. Upstairs living space with CBD skyline aspect. Services 3 large bedrooms and is ideal for teens or guests. Outdoor alfresco garden living at its best to ensure you enjoy BBQ's & refreshments. Well established gardens surround you and there's more vehicle parking than a car yard! Comforts include timber flooring, ducted rev cycle air con, vacuum & security systems with smart wiring for sound to most rooms.
