Enjoy the views of sunsets every day from your new home built on this 840sqm vacant block in the Karlkurla Rise subdivision just metres from Karlkurla Park and walking distance to Hannan's Primary School. Enjoy the nearby park and walk tracks. The vendors have supplied building plans for any potential buyer and include a proposed home build using the slope on the block to provide a beautiful split level home. This is one of the very few blocks with a view.
