Centrally located just a short walk to main street shopping and facilities is this period style home with plenty of street appeal. In need of a full internal renovation the home is on solid foundations but does present as pretty much a blank canvas from that point on. Features include, high ceilings, 2 internal fireplaces, 3 bedrooms, wide verandah's at the front and an excellent shed at the rear with easy access down the South side of the home. Plenty of reward for the right buyer at a price not much more than land value. Enquire now for more information.
