\$700 per week

Set among a lush rainforest-style backdrop, this property will have you feeling at home in nature straight away. Following a thoughtful renovation, this quality property with wooden floorboards and high ceilings with wooden beams is now available for long term rent. This generous home includes:-Large master bedroom with ensuite and french door access to outdoor deck-Generous chefs kitchen with ample cupboard and bench space with refrigerator-2 additional bedrooms with built in wardrobes-Study or additional room for storage-Open plan living room with pot belly stove and marble top table-Second living room/dining space off kitchen-Main bathroom with bathtub and shower-Laundry room with washing machine -Large wooden deck off the living room and master, surrounded by nature and with large table for the tenant's use.-A shared downstairs carport for up to two vehicles is available for the tenant's use. Included in the weekly rent is electricity, water, internet and yard maintenance! This property is available to tenant now. Please note that:-The downstairs part of the property is tenanted separately-The carport space is shared with the downstairs tenant. This property has two car spaces allocated to the carport.-The property is on tank water with a septic system.-The outdoor table on deck, marble top table in living room, refrigerator and washing machine all come with the property and are available for use during the tenancy. These remain the property of the owner.
