PERFECT FIRST HOME OR INVESTMENT PROPERTY !!

You will not get a better buy at the moment. Perfectly positioned in Riverview Estate, with great tenants in place paying \$390/week. The lowset brick home has 4 spacious bedrooms all with built in wardrobes. The kitchen is a galley style kitchen that is open plan with the dining and lounge areas. The laundry is located off the kitchen which is perfect in more ways than one. All bedrooms have carpet on the floor and the rest of the house is fully tiled. This is the perfect investment property or the best start getting into the housing market before it becomes too difficult. You have a massive yard that is fully fenced with colorbond fencing.
