What an amazing location to build your dream home or holiday getaway. This massive allotment is comprised of 3174m² and must be seen to fully appreciate the spectacular views that it provides and best of all you will never be built out! Fully fenced on all sides with front and rear gates installed. Established trees and plants are also an added bonus! A reserve is directly across the road, bitumen road to the front of the allotment and best of all the pristine waters of Perlubie directly in front! Perlubie is located just a short 20km from the well serviced township of Streaky Bay and is a magnificent coastal location where you can be "off grid" and be free of those power and water bills! Launch your boat directly from the beach to catch our marvellous King George Whiting or if you love to sit and relax on one of the best family friendly beaches in the country, then look no further! Be quick to find out more as properties such as this are truly now a rare find. For further information contact Chad Kirby at Ray White Real Estate Streaky Bay on 0407 720 603.
