It was named because it was the southernmost port beyond Hobart. It is now little more than a quiet holiday retreat or permanent home for that taste of coastal paradise. There are plenty of things to do search for Gems on the Lune River, walk along the white sand beaches. A short drive to Hastings Cave and Thermal springs where you will find beautiful rainforest to immerse yourself in the serenity and beauty of nature. This parcel of land is located on a quiet cul-de-sac, positioned with beautiful water views, cleared ready to build your dream home for that weekend getaway. Just a short walk or ride to the beach, where you can enjoy swimming, relaxing soaking up the sun. There are plenty of activities which include kayaking, fishing, hiking. Contact us for that piece of wonderland.
