Cool contemporary living can be yours with this elegantly appointed three bedroom, two bathroom & double garage residence in a super handy location near everything. Generous open design embraces a big living room linked to the gully style kitchen. A suite of stainless steel Smeg appliances unites with dark stone surfaces in ensuring style, and the design flows to a deck and substantial courtyard. Each well-proportioned bedroom has a walk-in or built-in robe and there's a relaxing central family bathroom, plus an ensuite and powder room. Heating/cooling, alarm, a sought after automatic double garage with internal access and it's position near shops, cafes, schools, transport and Maribyrnong River, just a short drive to Highpoint and freeway access, add even more allure.
