\$535,000

Found in a quiet residential pocket within easy walking distance to local shops and both Pre and Primary Schools this proud Bungalow era home sits on approx. 680m². The home retains many of its original features including lead light windows along with generous sized rooms and offers 3 bedrooms, master with direct access to the central bathroom, lounge with ornate mantle and split system, large original country kitchen and a further two games rooms to the rear. There is a large garage, carport and established shrubs complementing a home set on an elevated parcel ready for a new approach to life. The option to purchase a second vacant parcel is also available and settlement is expected to be 4-6 months from Contract.
