Welcome to Snowstream 7, your alpine retreat nestled in the heart of Woodridge, Thredbo. This two bedroom and loft is spread across three levels. (Licensed for 3) Snowstream 7 provides ample space for all of the family. The layout offers a harmonious blend of privacy and togetherness, ensuring each guest can unwind and recharge at their own pace. You will be greeted by the warmth of underfloor heating as you step inside Snowstream 7. With its inviting ambiance, this holiday home ensures warm winter evenings by the mesmerizing gas fireplace, creating the perfect setting after a hard day on the hill. Convenience is key, and Snowstream 7 boasts a highly desirable location within a convenient walking distance to Friday Flat as well as the Thredbo Leisure Centre. You'll have easy access to the slopes and all the thrilling snow activities Thredbo has to offer, making every day an adventure to remember. The spacious open plan living area serves as the heart of this stunning property. Featuring generous windows that invite natural light to cascade in. Kick back and fire up the BBQ on your private deck. Rest easy knowing your vehicle is secure in the lock-up garage with internal access, with ample space for not only your car but also all your mountain toys. In summary, this two-bedroom and loft ski chalet in Thredbo is an exquisite retreat that combines comfort, style, and convenience. From its spacious layout spanning three levels to the garage, gas fireplace, underfloor heating, and proximity to the lifts, this property offers a perfect sanctuary for both winter sports enthusiasts and those seeking a serene alpine getaway. Don't miss the opportunity to make this chalet your own and create lasting memories in one of Australia's premier ski destinations. This is your opportunity to own your very own little piece of Thredbo. Don't miss out, call us today to book your private inspection.
