Captivating with its sleek architectural elegance in a secretive Aurora pocket, this 3-bedroom townhome offers a delightful low-maintenance lifestyle with an edge of modernity and sophistication. Situated moments from Aurora Village, it presents the perfect fusion of coveted seclusion and convenient connectivity, making it an exceptional find in an exclusive locale. Elegant timber-look floors and the grandeur of high ceilings adorn an expansive reverse-style layout, with well-zoned living and dining spaces bathed in natural light from the adjacent alfresco balcony. An equally stunning galley kitchen produces a culinary masterpiece with smart stone benches and quality appliances for the perfect blend of form and function. Each of the three robed bedrooms features split-system comfort, including the main-floor master, which maintains privacy at the rear with a walk-in robe and a full-sized ensuite. Additional features include a European laundry, a rear courtyard, and a double garage with internal entry. A coveted Aurora locale sits moments from the Aurora Village Shopping Centre, Edgars Creek primary and secondary schools, parklands and public transport, with easy access to Hume Freeway, and Epping and Craigieburn township amenities.
