Sunshine Filled Beach Escape

This fantastic three-bedroom beachside home is perfectly located within walking distance of the magnificent Rosebud foreshore, cafe precinct, and McCrae Yacht Club. It is an amazing lifestyle opportunity with all the benefits of beachside living.

With sunlight bouncing off the pristine white walls, stunning high ceilings, and luxurious details, this property has all that and so much more. Enjoy long morning walks along the Rosebud Pier with the crystal-clear water views of Port Phillip Bay.

The master bedroom has its own private outdoor covered deck where you have the potential to install a spa bath for added luxury, two additional bedrooms all featuring well-sized built-in robes, share an oversized bathroom including a double vanity, large walk-in shower, and a separate powder room.

Entertaining will be a breeze in the stylish kitchen, with ample cabinets and sparkling dark countertops. The living room has a fireplace, carpet, and plenty of light and air coming in from the sliding doors. The dining room leads out to the covered porch and an outdoor covered area perfect for entertaining in the summer and winter months. This house includes central heating throughout and enough parking to park a boat and or caravan.

An exceptional feature is a mini rainforest in the private backyard. Lush vegetation provides ample colour, shade, and fresh air. A fishpond set amongst the winding pathways feels as if you are in your own tropical oasis. Beyond the mature garden is a large, paved area for more outdoor living along with a shed perfect for the green thumb of the family.
